DECLARATION UNDER RULE 131

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Daniel M. Dreps, an applicant in the above-identified patent application, declares  
as follows:

1. I am an employee of International Business Machines, Inc. (hereafter referred  
to as IBM), assignee of the above-identified patent application.
2. The invention as claimed in the above-identified application was conceived on  
or before July 24, 2000.
3. The invention as claimed in the above-identified application was  
workable/reduced to practice on or before July 24, 2000.

4. The attached invention disclosure, including the scanned sheets of hand-written description, were submitted to IBM Intellectual Property Law Department on July 24, 2000, and last modified on July 25, 2000.

5. The attached sheets of hand-written description, including drawings illustrating the claimed invention, correspond to the embedded icons in the invention disclosure, labeled dreps\_williams1.b, dreps\_williams2.b, dreps\_williams3.b, dreps\_williams4.b, and dreps\_williams5.b. As evidenced in the attached computer printout, these files were created on July 24, 2000.

The declarant further states that the above statements were made with knowledge that willful false statements and the like are punishable by fine and/or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that any such willful false statement may jeopardize the validity of this application or any patent resulting therefrom.

DECLARATION UNDER RULE 131

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Robert R. Williams, an applicant in the above-identified patent application,  
declares as follows:

1. I am an employee of International Business Machines, Inc. (hereafter referred to as IBM), assignee of the above-identified patent application.
2. The invention as claimed in the above-identified application was conceived on or before July 24, 2000.
3. The invention as claimed in the above-identified application was workable/reduced to practice on or before July 24, 2000.

4. The attached invention disclosure, including the scanned sheets of hand-written description, were submitted to IBM Intellectual Property Law Department on July 24, 2000, and last modified on July 25, 2000.

5. The attached sheets of hand-written description, including drawings illustrating the claimed invention, correspond to the embedded icons in the invention disclosure, labeled dreps\_williams1.b, dreps\_williams2.b, dreps\_williams3.b, dreps\_williams4.b, and dreps\_williams5.b. As evidenced in the attached computer printout, these files were created on July 24, 2000.

The declarant further states that the above statements were made with knowledge that willful false statements and the like are punishable by fine and/or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that any such willful false statement may jeopardize the validity of this application or any patent resulting therefrom.
